INDEPENDENT AUDITORS' REPORT

Governing Board American Foreign Service Association and Related Organizations Washington, DC

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the American Foreign Service Association and Related Organizations (the Association), which comprise the consolidated statements of financial position as of December 31, 2017 and 2016, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Governing Board American Foreign Service Association and Related Organizations

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Association as of December 31, 2017 and 2016, and the consolidated changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organizations

The American Foreign Service Association (AFSA), which began operations in 1924, is the professional association of the Foreign Affairs agencies and, as of 1972, is the official employee representative of all Foreign Service employees in the Department of State, the United States Agency for International Development, the Foreign Commercial Service, the Foreign Agriculture Service, and the International Broadcasting Bureau. The Association derives its revenue principally from member dues, advertising sales, contributions, investment income, and subscriptions.

AFSA has three related organizations, the American Foreign Service Association Scholarship Fund (Scholarship Fund), the Fund for American Diplomacy (Fund), and the AFSA-Political Action Committee (PAC). These are organizations that are operated, supervised, and controlled by AFSA. These organizations may receive contributions that are restricted by their donors.

The Scholarship Fund was established to award financial and merit scholarship to dependents of Foreign Service employees. The Scholarship Fund's major sources of revenue are contributions and investment income. The Scholarship Fund is doing business as Foreign Service Youth Scholarship — AFSA.

The Fund was established to award individuals for their achievements in the Foreign Service, to enhance the professional development of the Foreign Service, and to increase the public understanding of the Foreign Service. The latter objectives are achieved by sponsoring a speaker series, lecture series, and other educational forums that focus on topical issues related to the Foreign Affairs Community. The Fund's major sources of revenue are contributions, registration fees, book sales, and investment income. The Fund is doing business as Diplomacy Matters — AFSA.

The PAC was created in 2002 to further AFSA's goal of making the U.S. Foreign Service a more effective agent of United States international leadership. The PAC does this by helping to re-elect Senators and Representatives who support a strong, effective Foreign Service.

The organizations are collectively referred to as the Association.

Program and Supporting Services

The following provides a description of the program and supporting services operated by the Association:

Journal

Writing, editing, design, artwork, printing, postage, and promotion of the *Foreign Service Journal*.

Labor Relations

Public Education and Outreach

Programs include a speaker's bureau, the Coalition for American Leadership Abroad, and a minority intern program. AFSA's speaker's bureau consists of retired Foreign Service personnel speaking to groups of students and adults around the country on foreign affairs and the importance of the Foreign Service.

Road Scholar

A series of one-week workshops for older Americans sponsored by the Fund as part of the Road Scholar program. The workshops provide an in-depth look at how U.S. foreign policy is made and the role of the Foreign Service. The Fund sponsors four to five one-week sessions (participants range between 40 to 55 each) in the Fall and the Spring.

Membership Services

Regular communications with members and provision of services as requested.

The contest is open to U.S. students in grades nine through twelve and includes cash prizes for the 1st, 2nd, and 3rd place essays.

AFSA is exempt under Section 501(c)(5) of the Internal Revenue Code (IRC), whereas the Fund and the Scholarship Fund are exempt under Section 501(c)(3) of the IRC. The Fund is not considered a private foundation by the Internal Revenue Service (IRS) because it is an organization that is described in Section 509(a)(3). The Scholarship Fund is not considered a private foundation by the IRS because it is an organization that is described in Section 509(a)(1). The PAC is exempt under Section 527 of the IRC. Section 527 does not exempt taxation of investment income.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (Continued)

AFSA had approximately \$580,000 and \$550,000 in unrelated business income from advertising and other activities for the years ended December 31, 2017 and 2016, respectively. AFSA is subject to federal and state taxes on any net unrelated business income. The Scholarship Fund and the Fund did not have any unrelated business income in 2017 and 2016. The PAC did not have any taxable income in 2017 and 2016.

The Association adopted the income tax standard regarding the recognition and measurement of uncertain tax positions. The Association evaluated its tax positions and determined that its positions are more likely than not to be sustained on examination.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of consolidated assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

Cash and Cash Equivalents

For consolidated financial statement purposes, the Association considers all highly liquid instruments that are to be used for current operations and which have an original maturity of three months of less to be cash and cash equivalents with the exception of money market funds that are classified as short-term investments.

Accounts Receivable

The receivables are stated at their net realizable value. Accounts receivable consist primarily of advertising receivables and allotment of dues receivable. Accounts past due are individually analyzed for collectibility. When all collection efforts are exhausted, the account is written off against the allowance for doubtful accounts. Management estimates that all receivables are fully collectible with the exception of the amount that is included in the allowance for doubtful accounts.

Inventory

Inventory consists of costs incurred for the production of the book Inside a U.S. Embassy and the AFSA Memorial Marker for Foreign Service personnel and is stated at the lower of cost or net realizable value. Cost is determined using the first-in, first-out method.

Property and Equipment

Property and equipment is recorded at cost, or if donated, such assets are capitalized at the estimated fair market value at the date of receipt. The Association capitalizes all expenditures for property and equipment over \$2,000. Depreciation is computed using the straight-line basis over the useful lives of 15 to 30 years for building and building improvements, 5 to 10 years for furniture and equipment, and 3 years for software.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Impairment of Long-Lived Assets

The Association reviews long-lived asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recoverable. When considered impaired, the carrying amount of the asset is reduced, by a charge to the consolidated statements of activities, to its current fair value. There were no such impairments for the years ended December 31, 2017 and 2016.

Deferred Revenue

Deferred revenue consists of annual member dues and International Associate dues received in advance, and life membership dues. Member dues received in advance and life membership dues are deferred when received and are recognized as revenue over the related membership period. Deferred revenue also includes payments for magazine advertisements that have not yet been printed.

Net Assets

Unrestricted Net Assets

Unrestricted net assets consist of funds that are currently available to support the Association's daily operations. Contributions received without restrictions are also reported as increases in unrestricted net assets.

Temporarily Restricted Net Assets

The Association reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. The Scholarship Fund considers all contributions to be temporarily restricted for use in the Scholarship program with the exception of contributions that are to be held in perpetuity. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying consolidated statements of activities as net assets released from restrictions.

Permanently Restricted Net Assets

Permanently restricted net assets consist of assets whose use is limited by donor-imposed restrictions that neither expire by the passage of time nor can be fulfilled or otherwise removed by action of the Association. The restrictions stipulate that resources be maintained permanently. Permanently restricted net asset consist of the Scholarship Fund's beneficial interest in perpetual trusts and donor-imposed restrictions that the funds are to be held in perpetuity.

Revenue Recognition

Revenue from member dues, advertising sales, and registration fees is recognized in the year in which it is earned. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted revenue in the period promised or received at their fair values.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Fair Value of Financial Instruments

Fair Value Measurements

Fair value measurement of investments is determined using a framework for measuring fair value, establishing a fair value hierarchy based on the quality of inputs used to measure fair value, and requires expanded disclosures about fair value measurements. The Association accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement. The Association accounts for certain financial assets and liabilities at fair value under various accounting literature.

Fair Value Hierarchy

The Association has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Financial assets and liabilities recorded on the consolidated statements of financial position are categorized based on the inputs to the valuation techniques as follows:

Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Association has the ability to access.

Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include among others, quoted prices for similar assets or liabilities in active markets or nonactive markets.

Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

Reclassifications

Certain reclassifications of the 2016 consolidated financial statements have been made to conform to the 2017 presentation. Such reclassifications had no effect on previously reported change in net assets or net asset amounts.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In preparing these consolidated financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through August 28, 2018, the date the consolidated financial statements were available to be issued.

NOTE 2 CONCENTRATIONS OF RISK

Credit Risk

Financial instruments that subject the Association to a concentration of credit risk consist of demand deposits placed with financial institutions which may, at times, exceed federally insured limits.

Market Value Risk

The Association invests in a variety of investments. These investments are exposed to various risks, such as fluctuations in market value and credit risk. It is at least reasonably possible that changes in risks in the near term could materially affect investment balances and the amounts reported in the accompanying consolidated financial statements.

Contributions

Approximately 39% and 69% of total contributions were received from one donor during the years ended December 31, 2017 and 2016, respectively.

NOTE 5 BENEFICIAL INTERESTS IN PERPETUAL TRUSTS

The Scholarship Fund has received an interest in two irrevocable perpetual trusts. The principal is to be maintained in perpetuity. Distributions from the trustees are to be used to provide scholarships. The beneficial interest is reported at the fair value of the investments of the trust as reported by the trustees. The Scholarship Fund does not act as Trustee, and therefore does not have control over the related assets. As such, the beneficial interest is not subject to the Uniform Prudent Management of Institutional Funds Act. Accordingly, the beneficial interest is not included in Note 9.

NOTE 9 ENDOWMENT

The Scholarship Fund's endowment includes donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Scholarship Fund's Governing Board has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund absent explicit donor stipulations to the contrary. As a result of this interpretation, the Scholarship Fund classifies as permanently restricted net assets the original value of the gifts to the permanent endowment and the value of subsequent gifts to the permanent endowment. The remaining portion of donor-restricted endowment funds, if any, that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Scholarship Fund In accordance with UPMIFA, the Scholarship fund considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

NOTE 9 ENDOWMENT (CONTINUED)

Interpretation of Relevant Law (Continued)

- (1) The duration and preservation of the fund
- (2) The purposes of the Scholarship Fund and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Scholarship Fund
- (7) The investment policies of the Scholarship Fund

The Scholarship Fund's endowment investment policy objectives are to protect principal, earn a return, satisfy the payout requirement, and provide growth.

The following is a summary of endowment funds subject to UPMIFA for the years ended December 31, 2017 and 2016:

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Scholarship Fund to retain as a fund of perpetual duration. The Scholarship fund did not have any funds with deficiencies as of December 31, 2017 and 2016.

NOTE 10 EMPLOYEE RETIREMENT PLAN

The Association has a voluntary contribution plan which qualifies under Section 401(k) of the IRC and covers substantially all employees. The plan allows eligible employees to contribute a percentage of their compensation, with the Association matching 100% of the employees' contributions not to exceed 5% of employees' compensation. The Association made matching contributions of \$98,309 and \$103,340 for the years ended December 31, 2017 and 2016, respectively.

NOTE 11 DEFERRED COMPENSATION PLAN

The Association offers a deferred compensation plan that is created in accordance with Section 457(b) of the IRC. The plan permits the participant to defer, on a pretax basis, a portion of their compensation for future years. The assets and liability associated with the plan are included as deferred compensation plan in the accompanying consolidated statements of financial position.
