

Troubleshooting:

Question: How do I get my name to appear versus just my email address when posting on the FS Online Community?

Step 1: Log in to your account on Yahoo and go to the FS Online Community homepage:

<https://groups.yahoo.com/group/fsonlinecommunity>

Step 2: From the group homepage, please select the Membership link on the upper right side. This will dropdown the option to “Edit Membership”. Click on that link:

The screenshot shows the Yahoo! Groups interface for the 'The Foreign Service Online Community'. The page title is 'The Foreign Service Online Community' and it is a 'Restricted Group' with 417 members. The navigation bar includes 'Conversations', 'Photos', 'Files', 'About', and 'More'. A dropdown menu is open for the 'Membership' link, showing options: 'Yahoo profile for this group' (miele@afsa.org), 'Select subscription for this group', 'Edit Membership', and 'forum replaced'. The 'Edit Membership' option is highlighted with a red box.

Step 3: The “My Membership” page shows your membership details with options to edit. To change your name, please click on the pencil icon next to “Identity”.
